RE: Tri County Landfill Inc. – Request for Public Hearing

Dear Mr. Fair,

I formally request the Pennsylvania Department of Environmental Protection to hold a public hearing regarding Tri County Landfill Inc.'s recent major permit modification – replacement application. I respectfully request an evening hearing so that all members of our community can participate and better understand the application's substance and long-term impact.

In addition, I request that the DEP remove "Option II" (ability for TCL to expand to 200 feet height) from the permit consideration.

Sincerely,
